Luxury Meets Durable Beauty LP SmartSide Cedar Shakes

Cedar Shakes deliver an eye-catching alternative to real cedar.

- Reversible shake offers superior design flexibility as the same panel can be used for a staggered or straight edge.
- Staggered edges offer a textured effect while shiplap ends provide a seamless appearance
- Can be used to side an entire house or as a decorative wall accent
- Pre-primed to provide improved paint adhesion and durability
- Treated with our proprietary SmartGuard® process to help prevent fungal decay and termite damage
- Works and cuts like traditional wood, no special tools required!
- Treated engineered wood fiber substrate
